

# ANNINA

(E37H.01704)

ENZA ZADEN

## Annina F1 – Striped Eggplant

- High yielding
- Uniform, large fruit
- Adaptable to open field and protected culture
- Spineless calyx

CULTIVATION	MATURITY
Open Field, Protected Culture	Early-Intermediate
SIZE	WEIGHT
7 in. x 3 in. (18 cm x 7 cm)	0.6 – 0.8 lbs. (272 – 363 g)

**This gorgeous striped eggplant will not fail to impress growers and eaters alike!**

Annina is an adaptable variety that produces well in both high tunnel and open field production systems, and yields half-long, uniform fruit. Growers will appreciate the spineless calyx, and customers will love the deep purple color striped with fine white lines.

### DISCLAIMER

*Descriptions, recommendations and illustrations included correspond as closely as possible to tests and practical experience. This information is provided to assist professional growers and users; however, variable local conditions must be taken into account. Under no circumstances shall Enza Zaden accept liability based on such information for deviating results in the cultivated product. The purchaser is responsible for determining whether the items are suitable for the intended cultivation type and location.*
