

No Chilean Nitrate Use Statement

In line with both the EU Organic Regulation 834/2007 and the USDA NOP CFR Part 205, the use of Chilean Nitrate and products derived from it in organic production systems and organic products are prohibited.

I hereby declare that all seeds produced, processed, packed, offered and sold by our company are not derived from or produced using Chilean Nitrates.

This has been verified by:

- Skal certificates number 006483 (for vegetable production)
- Skal certificates number 014978 (processing)
- Lacon certificate number DE-RP-003-00029-BC (for herb production and processing)
- MCCO certificate number MCCO-27-0556 (seed processing).
